

Brothers in Arms by Paul Langen and Ben Alikez

Have you ever been forced to make a decision that you thought you would never have to make? Well, if you read Brothers in Arms you will understand what I am talking about. Martin Luna, the main character, has to face this problem when his little brother gets shot. His mother and homeboys give him two options. His mother makes him move so that he can start over while his friends give him the chance to make another family feel his pain. Which road will he take? You should check out the book and find out.
